

BIO-DATA

1. Name : Dr. Saraswati P. Masti
2. Mailing Address : Assistant Professor
Department of Chemistry
Karnatak Science College, Dharwad – 580 001.
- Telephone : +91-836-2215400 (O)
- E-mail : dr.saraswatimasti@yahoo.com
- Fax : +91-836-2744334
3. Date of Birth : 05-06-1976
4. Educational Qualifications : M.Sc., (Inorganic Chemistry)
Ph.D. (Analytical Chemistry)
5. Teaching Experience : 3 years as Guest Lecturer and 6 years as Assistant Professor in Chemistry
6. Research Interests : Drug Analysis, Polymer Nanocomposites, Polymer Blends
7. Details of professional training and research experience

Research Publications:

- National level : 03 Papers published in national level journals
- International level : 05 Papers published in international journals & 02 papers are communicated

Papers Published in Conferences/Seminars

- National level : 04 Papers presented in national level Conference
- International level : 06 Papers presented in international Conference

Refresher / Orientation Courses attended : 01

Participated in the 45th Orientation Programme from 5-5-2009 to 1-6-2009 held at UGC – Academic staff College, Karnatak University, Dharwad.

Research Work

Worked as Co-Investigator in UGC sponsored major research project entitled “Morphology and Mechanical Behavior of Ternary Polymer Blends.”
